OPEN CLASS INFORMATION

- Meeker County Extension Master Gardeners will have a booth in the Fine Arts Building.
- Entries are open to all who wish to exhibit, but are limited to individuals.
- 3. Limited workspace will be provided. Allow yourself plenty of time to set up your exhibits. Please do not use the exhibit tables. Bottles will be furnished for specimens. Exhibitors can pick up bottles early in the week from the Fine Arts Building if you want to set up your specimens at home. Please stand dried specimens in bottles.

OPEN CLASS RULES

- The exhibitor must grow all horticulture specimens.
 Potted and hanging plants must be in the exhibitor's
 possession for at least two months.
- Read your schedule well; take care to enter exhibits in the proper class. A specimen will be disqualified if it has more or less stems, sprays, stalks, blooms, etc. than the number specified. A bud showing color is classified as a flower.
- Houseplants, patio potted plants and hanging plants should be labeled with the variety of flower names. Please put variety or flower name on tags of the specimens.
- Specimens should be clean, free of insect damage and with an attractive amount of foliage left attached. Remove all foliage below waterline.
- 5. **ROSES** should be shown with at least 3, 5, or 7 leaflet leaves above waterline.
- DAHLIAS should have all but the 2 top pairs of leaf brackets removed. Stem length should be 24-30". Re-cut stems under water.

- Prop specimen securely straight in the bottle. Small wedges are available for this.
- Flowers and foliage for arrangements keep best if hardened in deep water overnight. It is best to pick your flowers the day before, keep them in a cool area and in deep water.
- Cut all specimen stems long enough to present a good appearance in the bottle. Points are usually taken off for specimens with too short of stems.
- 10. Only authorized personnel will be permitted within the area during judging. First, second and third place prizes will be awarded in each class, if merited. Youth classes will award five places. Blue, red and white stickers will be placed on the tags when judging. Ribbons will be with the premium checks. The decision of the judges is final. Classes may be subdivided at the discretion of the show superintendent.
- 11. All exhibits must be left in place until 6:00 PM on Sunday. Please remove your exhibits promptly at that time. The Fair Board will not be responsible for any private property or exhibits. The superintendent and committee will remove any unsightly flowers or arrangements during the show.
