- 6:30 PM All Dairy, Horse and Sheep released

Both animals and people carry germs

Here are some simple things to do to keep you and the animals at the fair healthy:

- Wash your hands with soap and water before and after entering the barns
- Refrain from eating & drinking while visiting the animals
- Avoid carrying anything in the barns that comes in contact with your mouth (pacifiers, sippy cups, etc.)
- Watch your step! Check your shoes and stroller wheels for any signs of animal manure before you go home
- **DO NOT FEED** the animals. Their owners will take of properly feeding them

We encourage fair guests to observe the animals, but you should always ask before petting any animals. If you have questions about animals, always feel free to ask an exhibitor in that area.

We want you and the animals to enjoy the experience at the Meeker County Fair!
