**80s Bone Stock - ALUMNI - RULES**

**This class is for drivers 40 years old and older**

**FOR MORE INFORMATION OR QUESTIONS CALL OR TEXT (PLEASE CALL DURING THE HOURS OF 6:00PM AND 9:00PM)**

**Drew 612-281-4966**

**Darryl 763-567-1603**

**THESE ARE THE ONLY TWO DERBY OFFICIALS THAT CAN ANSWER QUESTIONS REGARDING RULES & CAR BUILDING**

The following is a list of rules and regulations set forth by the Mad Dog Mayhem Demo Derby. Drivers and all pit persons are expected to read, understand, and comply with all rules. These rules are non-negotiable. Failure to abide by these rules will result in disqualification and loss of all entry fees. Reading between the lines will only get you sent home – if it's not in the rules, don't do it! **By signing the Entry Form, you agree to the following rules:**

**Entry fee covers driver ONLY.** Additional pit passes may be purchased at registration for \$25 per person 12 years of age or older.

For safety reasons, no one under twelve (12) years of age is allowed in the pit area. Anyone under 16 must be accompanied by an adult.

Drivers and any pit person will sign a waiver which will relieve the Mad Dog Mayhem Demo Derby and track officials of any liability related to personal injury which might occur.

**Any person entering the pit area can and will be removed from the grounds for any behavior deemed inappropriate by the officials. Entry fees will not be refunded. No fighting, drinking, or use of drugs anywhere on the grounds before, during or after the derby. This will be strictly enforced. Coolers will be subject to inspection.** Mad Dog Mayhem Demo Derby is not responsible for any items lost or stolen on the grounds.

Speed limit in pit area is not to exceed idle speed. No careless driving.

NO parking extra vehicles in the pit area. Vehicles hauling registered cars will only be allowed in the pit area.

Your pit area must be cleaned up and all parts & cars removed from the grounds. Absolutely no cars left on the grounds.

**Driver must bring the car to be inspected**, no others allowed in the inspection area (see exception for Youth drivers in the rules for that class.) All others will be asked to leave inspection area. **Only drivers** are allowed to speak to derby officials.

**You must be registered and inspected BEFORE 3pm or you will not be allowed to run. We will not delay the derby start time for late arrivals.**

Judges decisions are **FINAL**; arguing will mean immediate dismissal from the grounds and forfeiture of prize or entry money.

**We reserve the right to re-inspect a car at any time.** Noncompliance will result in disqualification and loss of any and all winnings. Any complaints about other cars will be inspected but **only** if complainant attends. **Complainant must be a driver of the same class and must provide \$200 CASH prior to inspection.** Cash will be forfeited to inspected driver if complaint is found to be fraudulent.

All drivers **MUST have a valid driver's license**, safety helmet & eye protection. Drivers under 18 years of age must have written permission from parent or legal guardian to run. ***\*Special provisions for Youth class.\****

Cars must have safety belts and charged fire extinguisher. **NO EXCEPTIONS.**

Hoods must be open for inspection. **MUST HAVE WORKING BRAKES AT ALL TIMES.** If it is discovered that you do not have working brakes, you **WILL** be disqualified.

Build driver's door to take a hit!! **Driver's door must be painted WHITE (or contrasting color if your car is white) with a BLACK number at least 15" tall.** Number must be painted on BOTH front doors. NO EXCEPTIONS!! Car number must be on car before inspection and clearly legible. Car number will be required to display on roof sign, (numbers and sign to have contrasting colors). Sign can be wood or metal with car number on both sides. Sign must be at least 15" high by 20" long, with number at least 12" by 4". Roof number **MUST** be clearly legible. Car numbers are on a first come first serve basis for each class. Car numbers must be **numbers only**, no wording for car numbers. NO EXCEPTIONS.

No objects, obscene words/gestures or suggestions allowed to be displayed or hung on vehicle. They will be removed at judge's discretion! American flags may be painted on your vehicle but no flags hung or flying from vehicle.

Any car that is put on time by judges will have **2 minutes** to make contact with another car still in the derby or be disqualified.

**No hitting of dead vehicles.**

**One warning for driver's door hit. Flagger's discretion.** No intentional door hits. No using your driver's door as a shield.

You are allowed only one fire per heat, if event is stopped a second time to put out a fire from your car, you will be disqualified.

For safety reasons, the arena will be bordered with cement barriers. Any car that goes over or through the barriers causing an unsafe situation will be disqualified.

All drivers **MUST** remain in car until the heat is over or flag person stops the action for safety reasons. You **MUST** keep your helmet on! No driver's arms outside car during event. **One warning only.** No pit persons on track at any time without permission from judges.

If you can't make your car fit the rules for the class you are trying to enter, you will be bumped to another class or you will **NOT** run. **NO EXCEPTIONS & ABSOLUTELY NO REFUNDS.**

No alterations allowed on vehicles after inspection, you may be disqualified.

Vehicles may be subject to re-inspection at ANY time.

**ALL VEHICLES MAY BE SUBJECTED TO A HOLE DRILLED INTO THE FRAME FOR ADDITIONAL INSPECTION.**

**Sandbagging and team driving will NOT be tolerated – first warning we will paint a pink "S" on your car, second warning you forfeit.**

**No welders allowed in pit.**

**THIS IS A BONE STOCK CLASS**

**If you come with a vehicle that is built any more than what is listed below, you will not run.**

1. Any 1980 and newer front or rear wheel drive car.
2. All vehicles must be **STRIPPED COMPLETELY** of **ALL** plastic, glass, headlights, taillights, fluids and anything else that could fall off onto the track during the show
3. All vehicles must remain stock, **ABSOLUTELY NO WELDING ANYWHERE**, unless specified.
4. Bumpers must remain stock, do not alter bumper in any way. Factory bumper shocks must remain in factory location. You may remove rear bumpers and shocks. Bumpers can be welded on with one 6in plate per rail, may replace bumpers with no larger than 6x6 tube. May hardnose bumpers.
5. Batteries must be relocated to passenger floor or seat. Please make sure the battery will not move. No zip screws. Battery box must be made out of steel. No plastic battery boxes. sheet metal mounted only.
6. Gas tank must be relocated to rear seat area and secured. Aftermarket tanks may be used.
7. All doors may be wired or chained in 6 places max per door.
8. Trunks, hoods, tailgates, all may be wired or chained in 6 places total. Sheet metal to sheet metal only. Nothing to frame. If you remove trunk or tailgate you lose that wire or chain.
9. Must have chain or 9-wire in front windshield opening for safety.
10. May have 4 point cage, 2 down bars per side, sheet metal mounted only. May have halo, attached to top of cage only. No tank protectors.
11. Drivers door may be welded solid.
12. DOT tires only. Stock wheels only. **All wheel weights must be removed.** Only tubes and air are permitted inside of tires.
13. No intermarriage of motors. Keep Ford to Ford, GM to GM. Stock motors and transmissions only. Use stock mounts, can use headers. Can use aftermarket shifter.
14. Suspension must remain stock. No welding, no spacers, no swapping springs in front or rear to gain height. May weld rear-end posi.
15. May notch frame and tuck trunk up to 50%. No body lines or pre bending.

These rules are cut and dry. You should not have to call to ask many questions on this class. If it does not say you can do it, then that means YOU CANNOT do it. Quick and easy build.

**REMEMBER—Judges decisions are FINAL!! Reading between the lines will only get you sent home. Please be sure to read the rules CAREFULLY as this is the driver's responsibility. If you have questions, you may call so that you don't risk being disqualified the day of the event. We WILL NOT offer refunds if your car is not able to run for any reason. Don't assume anything – call first. Must know your vehicle type, model and which class you are in.**

Vehicles may be subject to re-inspection at ANY time.

**ALL VEHICLES MAY BE SUBJECTED TO A HOLE DRILLED INTO THE FRAME FOR ADDITIONAL INSPECTION.**

**Sandbagging and team driving will NOT be tolerated – first warning we will paint pink "S" on your car, second warning you forfeit.**

**No welders allowed in pit.**

**\*\*Sedagons, convertibles, hearses, and ambulances are NOT allowed.\*\***

Any mass produced 2-wheel drive cars, wagons are allowed, **1980 and newer (metric body only)**. 2003 and newer must have factory front suspension – no custom frames.

May have small centers

All glass, plastic, white metal grills and trim must be removed before entering grounds. No wheel covers allowed. Vehicles must be clean and free of loose objects and debris. All decking in station wagons must be removed.

**Round or square tube or c-channel allowed for bumpers. No thicker than 1/4". No wider than width of car.**

**Maximum bumper height of 21" on fresh ore pre-ran cars.**

Dash may be removed. A 5" maximum dash bar is allowed. Bracing 5" maximum is allowed behind driver's door post to door post on passenger side for driver's protection. Door bar can only be 60" long. No more than 12" behind the seat. Bracing 5" maximum is allowed to connect the dash bar and the door post to the door post on the passenger and driver's side (can be an X). Two down bars allowed from cage to floor on driver's side and on passenger side. Must be straight down, not angled (forward or backward). No further forward than inside door seam. Down bars may be attached to the top side of the frame. Do not mount your dash bar closer than 3" from ANYTHING. This will be measured behind the distributor.

Driver's window and front windshield may have wire mesh or straps for protection. Front windshield may have two bars running from roof to cowl and may be bolted or welded to sheet metal only. Rear windshield may have one bar running from top of window to not more than 2" on trunk and may be bolted or welded to sheet metal only.

Gas tank to be made of steel, secured by **metal** straps, chains or bolted to the floor, protected on all sides, and located in back seat area. **NO RATCHET OR BUNGEE STRAPS!!** Any gas lines other than standard equipment must be located inside the middle of the car. Outlet to fuel pump must be through a tight connection to tank. Gas lines that run through firewall must be made of steel or high-pressure hose. Any car leaking fuel will be flagged out.

**Absolutely no welding of body, wheel wells, frame, or bumpers allowed.** May cut holes for chain in doors, hood and trunk. You may cut wheel wells, bumpers and notch frame.

Doors are allowed to have two chains per door seam, except driver's door. Driver's door may be welded rather than chained and must have brace on inside for driver's safety, bracing behind driver seat is a must.

Floor shifter optional. Gas pedal, brake pedal and slider optional. Lower block saver cradle optional.

May have aluminium ultra bell, **MUST** have slits cut into floor. Can not be under pressure.

Trunk and hood must be chained (NO WELDING), 6 chains or #9 wire on each. Trunk may be tucked.

You may run (6) 4"x4" repair plates on pre-ran (4 on front and 2 on back), must have visible bend.

Push button and toggle switch are allowed.

Headers may be used with holes cut through hood.

Welding of rear-ends is allowed. May intermarriage stock rear ends and motors with no set back. Motor mounts may be welded to frame with no added material.

Dash can be removed. If removed, must have dash bar.

All glass, plastic, rubber, fiberglass, trim, white metal must be removed as it states in general rules.

Tubes in tires and valve stem protectors are allowed. **Tire in tire is allowed.** May run small multi-center.

Can run without bumpers. Front bumpers cannot be used as back bumpers and vice versa. **NO** exposed bumper shocks. Bumpers may be seam welded and vent holes may be plated shut. **No stuffed bumpers.**

Front and rear bumpers may be welded with **NO** added material. May run 6" x 6" tube or 6" pipe (3/16" max thickness) ends must be open.

12" bumper bracket allowed.

A-frames or front struts may be welded with up to 6" added material per side only.

No Frame tilting allowed

All body bolts must remain factory

This is a CHAIN STOCK CLASS. NO PROTECTORS or MID-PLATES. If it is not a part from the automotive factory you cannot run it.

**No welding unless specified.**

**REMEMBER—Judges decisions are FINAL!!** Reading between the lines will only get you sent home. Please be sure to read the rules **CAREFULLY** as this is the driver's responsibility. If you have questions, you may call so that you don't risk being disqualified the day of the event. We **WILL NOT** offer refunds if your car is not able to run for any reason. Don't assume anything – call first. **Must know your vehicle type, model and which class you are in.**

**THESE ARE THE ONLY TWO DERBY OFFICIALS THAT CAN ANSWER QUESTIONS REGARDING RULES & CAR BUILDING**

The following is a list of rules and regulations set forth by the Mad Dog Mayhem Demo Derby. Drivers and all pit persons are expected to read, understand, and comply with all rules. These rules are non-negotiable. Failure to abide by these rules will result in disqualification and loss of all entry fees. Reading between the lines will only get you sent home – if it's not in the rules, don't do it! **By signing the Entry Form, you agree to the following rules:**

Entry fee covers driver ONLY. Additional pit passes may be purchased at registration for \$25 per person 12 years of age or older.

For safety reasons, no one under twelve (12) years of age is allowed in the pit area. Anyone under 16 must be accompanied by an adult.

Drivers and any pit person will sign a waiver which will relieve the Mad Dog Mayhem Demo Derby and track officials of any liability related to personal injury which might occur.

**Any person entering the pit area can and will be removed from the grounds for any behavior deemed inappropriate by the officials. Entry fees will not be refunded. No fighting, drinking, or use of drugs anywhere on the grounds before, during or after the derby. This will be strictly enforced. Coolers will be subject to inspection.** Mad Dog Mayhem Demo Derby is not responsible for any items lost or stolen on the grounds.

Speed limit in pit area is not to exceed idle speed. No careless driving.

NO parking extra vehicles in the pit area. Vehicles hauling registered cars will only be allowed in the pit area.

Your pit area must be cleaned up and all parts & cars removed from the grounds. Absolutely no cars left on the grounds.

**Driver must bring the car to be inspected.** no others allowed in the inspection area (see exception for Youth drivers in the rules for that class.) All others will be asked to leave inspection area. **Only drivers** are allowed to speak to derby officials.

**You must be registered and inspected BEFORE 3pm or you will not be allowed to run. We will not delay the derby start time for late arrivals.**

Judges decisions are **FINAL**; arguing will mean immediate dismissal from the grounds and forfeiture of prize or entry money.

**We reserve the right to re-inspect a car at any time.** Noncompliance will result in disqualification and loss of any and all winnings. Any complaints about other cars will be inspected but **only** if complainant attends. **Complainant must be a driver of the same class and must provide \$200 CASH prior to inspection.** Cash will be forfeited to inspected driver if complaint is found to be fraudulent.

All drivers **MUST have a valid driver's license**, safety helmet & eye protection. Drivers under 18 years of age must have written permission from parent or legal guardian to run. ***\*Special provisions for Youth class.\****

Cars must have safety belts and charged fire extinguisher. **NO EXCEPTIONS.**

Hoods must be open for inspection. **MUST HAVE WORKING BRAKES AT ALL TIMES.** If it is discovered that you do not have working brakes, you **WILL** be disqualified.

Build driver's door to take a hit!! **Driver's door must be painted WHITE (or contrasting color if your car is white) with a BLACK number at least 15" tall.** Number must be painted on BOTH front doors. NO EXCEPTIONS!! Car number must be on car before inspection and clearly legible. Car number will be required to display on roof sign, (numbers and sign to have contrasting colors). Sign can be wood or metal with car number on both sides. Sign must be at least 15" high by 20" long, with number at least 12" by 4". Roof number **MUST** be clearly legible. Car numbers are on a first come first serve basis for each class. Car numbers must be **numbers only**, no wording for car numbers. NO EXCEPTIONS.

No objects, obscene words/gestures or suggestions allowed to be displayed or hung on vehicle. They will be removed at judge's discretion! American flags may be painted on your vehicle but no flags hung or flying from vehicle.

Any car that is put on time by judges will have **2 minutes** to make contact with another car still in the derby or be disqualified.

**No hitting of dead vehicles.**

**One warning for driver's door hit. Flagger's discretion.** No intentional door hits. No using your driver's door as a shield.

You are allowed only one fire per heat, if event is stopped a second time to put out a fire from your car, you will be disqualified.

For safety reasons, the arena will be bordered with cement barriers. Any car that goes over or through the barriers causing an unsafe situation will be disqualified.

All drivers **MUST** remain in car until the heat is over or flag person stops the action for safety reasons. You **MUST** keep your helmet on! No driver's arms outside car during event. **One warning only.** No pit persons on track at any time without permission from judges.

If you can't make your car fit the rules for the class you are trying to enter, you will be bumped to another class or you will **NOT** run. **NO EXCEPTIONS & ABSOLUTELY NO REFUNDS.**

No alterations allowed on vehicles after inspection, you may be disqualified.

Vehicles may be subject to re-inspection at ANY time.

**ALL VEHICLES MAY BE SUBJECTED TO A HOLE DRILLED INTO THE FRAME FOR ADDITIONAL INSPECTION.**

**Sandbagging and team driving will NOT be tolerated – first warning we will paint pink “S” on your car, second warning you forfeit.**

**No welders allowed in pit.**

Wheelbase of 113" or less. Front wheel drive only.

May have full wheel center.

All glass, plastic, white metal grills and trim must be removed before entering grounds. No wheel covers allowed. Vehicles must be clean and free of loose objects and debris. All decking in station wagons must be removed.

**Round or square tube or c-channel allowed for bumpers. No thicker than 1/4". No wider than width of car.**

**Maximum bumper height of 21" on fresh ore pre-ran cars.**

Dash may be removed. A 5" maximum dash bar is allowed. Bracing 5" maximum is allowed behind driver's door post to door post on passenger side for driver's protection. Door bar can only be 60" long. No more than 12" behind the seat. Bracing 5" maximum is allowed to connect the dash bar and the door post to the door post on the passenger and driver's side (can be an X). Two down bars allowed from cage to floor on driver's side and on passenger side. Must be straight down, not angled (forward or backward). No further forward than inside door seam. Down bars may be attached to the top side of the frame. Do not mount your dash bar closer than 3" from ANYTHING. This will be measured behind the distributor.

Driver's window and front windshield may have wire mesh or straps for protection. Front windshield may have two bars running from roof to cowl and may be bolted or welded to sheet metal only. Rear windshield may have one bar running from top of window to not more than 2" on trunk and may be bolted or welded to sheet metal only. Must be 3" from rod, washer and strut tower.

Gas tank to be made of steel, secured by **metal** straps, chains or bolted to the floor, protected on all sides, and located in back seat area. No more than 36in wide. **NO RATCHET OR BUNGEE STRAPS!!** Any gas lines other than standard equipment must be located inside the middle of the car. Outlet to fuel pump must be through a tight connection to tank. Gas lines that run through firewall must be made of steel or high-pressure hose. Any car leaking fuel will be flagged out.

ANY spills or leaks will result in vehicle not being able to run. Gas lines other than standard equipment must be located in the center of the vehicle.

Electric fuel pumps are allowed if mounted securely in the vehicle. Must have shut off switch near steering wheel or wired to ignition.

Two batteries are allowed, must be an automotive battery (No CAT or Industrial batteries) must be inside the vehicle on the passenger side floor and be securely fastened (bolts may go through frame) and covered. Rubber mats are acceptable. A box or container is recommended. Battery box may not exceed 2" on each side (don't get carried away). No double floors allowed.

Auxiliary water systems are NOT allowed. Original or automobile radiator must be left in its original position. No metal or mesh to protect radiator. The fan may be removed or cut. Electric fans are allowed. **No aftermarket steel fan shrouds attaching from the motor.**

Headers allowed through hood not to extend higher than the roof of the vehicle.

There must be a hole (12" minimum) cut in the hood for fire safety. This must be done before inspection.

Transmission shifter may be located on the floor. Transmission coolers are allowed. No transmission braces permitted.

Use motor and transmission of choice V6 or less. NO mid-plates allowed. NO full engine cradles allowed. Engine may be strapped down on front two corners (factory locations) using strap, angle, chain or chain but not to strengthen frame. 2" x 1/4" maximum strap or angle.

Steering column may be altered to prevent loss of steering. NO distributor protectors allowed. Distributor cap clamp allowed.

All vehicles must have brakes at **ALL** times.

Any tire allowed. Stem protectors allowed. Uni-lug centers allowed, on stock automotive rims. No other reinforcement of rims allowed. Disqualification will result if discovered. Wheel weights must be removed. Tires may be doubled.

All trailer hitches and parts must be removed from vehicle.

Body mounts may be removed. Original bolts can be replaced with 1" maximum bolts in factory locations only. You may add 2 additional bolts per side. Flat washers no bigger than 4" x 4" x 1/4". Bolts and washers **cannot** be welded to frame or sheet metal.

Stuffed bumpers allowed. No homemade or replica bumpers.

Any automotive bumper, bracket, or shock may be welded on the front and back of car. May not be attached to the K-frame and K-frame may not be welded to the body. Maximum of 16", measured from the back of the bumper to the back of the bumper bracket/shock, no taller than the frame. If not using a bracket or shock, you may use a FLAT 1/4" maximum plate 16" long.

Driver's door may be fully welded. All other doors may be welded 3" on and 3" off. If doors not welded, may be chained/bolted/wired to keep them shut. May have a bar on the outside of driver's door, not to exceed 4" past door itself. Non-post cars may have flat steel strap welded from roof to door on passenger and driver's side. Strap should be no more than 4" wide by 1/4" thick.

Roll loop allowed behind seat—must be straight up and down (not more than 12" behind seat). May be attached to the top of the frame on floor and welded or bolted to roof. (No kickers going to the back of vehicle allowed.)

#9 wire may be used in four locations of your choice, inside car only, and may go around frame.

Hoods are to be either bolted, chained or wired (choose one).

**Bolts:** Maximum 1" all-thread, 6 bolts maximum, may run through the frame. All-thread may be welded to the frame and sheet metal. Washer plates may not exceed 4" x 4" x 1/4". All-thread may not be sleeved. All-thread must be straight up and down, not angled forward or backward. Washers may not be welded to anything.

**Chains:** No more than two (2) single strand wraps will be allowed from the bumper to the hood. No crisscrossing allowed. Up to six (6) chains.

**Wire:** Hood may be wired up to six (6) locations. Must be sheet metal to sheet metal.

Allowed to bolt hood sheet metal (skin) together with up to twelve 3/8" bolts. **NOT** allowed on trunk.

Hoods are allowed to be bent over the front of the vehicle but not to extend below or over the bumper. Hoods must be open for inspection and hood must be brought up to inspection with vehicle.

Spacers allowed on coil springs to bring car up to height. Maximum bumper height is 21" to bottom of bumper. Minimum bumper height is 16" to bottom of bumper.

A-arms, ball joints and struts must remain stock. Tie rods may be reinforced. Front suspension may be solid for height only, not for reinforcement. Rear suspension must remain stock (i.e. leaf spring under axle) unless otherwise noted. Rear suspension may be welded or bolted solid. May reinforce stock trailing arms.

Rear suspension must remain stock.

Trunks may be bolted, chained or wired shut (choose one)

- Lid may be chained up to six locations, single strand, sheet metal to sheet metal
- Wired up to six (6) locations, sheet metal to sheet metal
- Small bolts 3/8" maximum used around outside edge, sheet metal to sheet metal, up to six (6) bolts
- All-thread (maximum 1") may extend through frame rail and trunk, three per side and may be welded to frame straight up and down
- Washer plates no more than 4" x 4" x 1/4" and may **NOT** be welded
- Trunk may have (6) 4" x 4" welded patches

Trunk lid tucking allowed. Do not bend in sides. No full wedges. Must have access to inspect.

Wheel wells may be cut away for tire clearance. Fenders may be bolted together with (8) eight 3/8" bolts or less.

Body lines may be pounded. Body seams may not be welded.

Welding front subframe seam from front body mount by firewall to front of vehicle allowed. **ONE SIDE OF FRAME ONLY** up to 1/2" wide, no added material. Don't get carried away or you will cut.

If you have to re-stub your vehicle, you are only allowed to butt weld frame together. This means NO overlapping. You are allowed 1" x 1/4" to go around stub only. NO CUSTOM FRAMES ALLOWED. NO squaring of frames. Re-stubs must be from same model and vintage.

Pre-run cars will be allowed to plate where a car is bent. There must be proof of a bend where plate is. Plate cannot exceed

5" x 5" x 1/4". No more than six plates total on car. Must have gap between plates.

**REMEMBER—Judges decisions are FINAL!! Reading between the lines will only get you sent home. Please be sure to read the rules CAREFULLY as this is the driver's responsibility. If you have questions, you may call so that you don't risk being disqualified the day of the event. We WILL NOT offer refunds if your car is not able to run for any reason. Don't assume anything – call first. Must know your vehicle type, model and which class you are in.**

**MAD DOG MAYHEM DEMO DERBY**

Meeker County Fair Grounds • Saturday, August 1, 2026 • 5:30 PM

**PIT OPENS AT 9:00 AM • INSPECTION IS FROM 9 AM TO 4:30 PM**

**FOR MORE INFORMATION OR QUESTIONS CALL OR TEXT (PLEASE CALL DURING THE HOURS OF 6:00PM AND 9:00PM)**

**Drew 612-281-4966**

**Darryl 763-567-1603**

**THESE ARE THE ONLY TWO DERBY OFFICIALS THAT CAN ANSWER QUESTIONS REGARDING RULES & CAR BUILDING**

The following is a list of rules and regulations set forth by the Mad Dog Mayhem Demo Derby. Drivers and all pit persons are expected to read, understand, and comply with all rules. These rules are non-negotiable. Failure to abide by these rules will result in disqualification and loss of all entry fees. Reading between the lines will only get you sent home – if it's not in the rules, don't do it! **By signing the Entry Form, you agree to the following rules:**

**Entry fee covers driver ONLY.** Additional pit passes may be purchased at registration for \$25 per person 12 years of age or older.

For safety reasons, no one under twelve (12) years of age is allowed in the pit area. Anyone under 16 must be accompanied by an adult.

Drivers and any pit person will sign a waiver which will relieve the Mad Dog Mayhem Demo Derby and track officials of any liability related to personal injury which might occur.

**Any person entering the pit area can and will be removed from the grounds for any behavior deemed inappropriate by the officials. Entry fees will not be refunded. No fighting, drinking, or use of drugs anywhere on the grounds before, during or after the derby. This will be strictly enforced. Coolers will be subject to inspection.** Mad Dog Mayhem Demo Derby is not responsible for any items lost or stolen on the grounds.

Speed limit in pit area is not to exceed idle speed. No careless driving.

NO parking extra vehicles in the pit area. Vehicles hauling registered cars will only be allowed in the pit area.

Your pit area must be cleaned up and all parts & cars removed from the grounds. Absolutely no cars left on the grounds.

**Driver must bring the car to be inspected,** no others allowed in the inspection area (see exception for Youth drivers in the rules for that class.) All others will be asked to leave inspection area. **Only drivers** are allowed to speak to derby officials.

**You must be registered and inspected BEFORE 3pm or you will not be allowed to run. We will not delay the derby start time for late arrivals.**

Judges decisions are **FINAL**; arguing will mean immediate dismissal from the grounds and forfeiture of prize or entry money.

**We reserve the right to re-inspect a car at any time.** Noncompliance will result in disqualification and loss of any and all winnings. Any complaints about other cars will be inspected but **only** if complainant attends. **Complainant must be a driver of the same class and must provide \$200 CASH prior to inspection.** Cash will be forfeited to inspected driver if complaint is found to be fraudulent.

All drivers **MUST have a valid driver's license**, safety helmet & eye protection. Drivers under 18 years of age must have written permission from parent or legal guardian to run. ***\*Special provisions for Youth class.\****

Cars must have safety belts and charged fire extinguisher. **NO EXCEPTIONS.**

Hoods must be open for inspection. **MUST HAVE WORKING BRAKES AT ALL TIMES.** If it is discovered that you do not have working brakes, you **WILL** be disqualified.

Build driver's door to take a hit!! **Driver's door must be painted WHITE (or contrasting color if your car is white) with a BLACK number at least 15" tall.** Number must be painted on BOTH front doors. NO EXCEPTIONS!! Car number must be on car before inspection and clearly legible. Car number will be required to display on roof sign, (numbers and sign to have contrasting colors). Sign can be wood or metal with car number on both sides. Sign must be at least 15" high by 20" long, with number at least 12" by 4". Roof number **MUST** be clearly legible. Car numbers are on a first come first serve basis for each class. Car numbers must be **numbers only**, no wording for car numbers. NO EXCEPTIONS.

No objects, obscene words/gestures or suggestions allowed to be displayed or hung on vehicle. They will be removed at judge's discretion! American flags may be painted on your vehicle but no flags hung or flying from vehicle.

Any car that is put on time by judges will have **2 minutes** to make contact with another car still in the derby or be disqualified.

**No hitting of dead vehicles.**

**One warning for driver's door hit. Flagger's discretion.** No intentional door hits. No using your driver's door as a shield.

You are allowed only one fire per heat, if event is stopped a second time to put out a fire from your car, you will be disqualified.

For safety reasons, the arena will be bordered with cement barriers. Any car that goes over or through the barriers causing an unsafe situation will be disqualified.

All drivers **MUST** remain in car until the heat is over or flag person stops the action for safety reasons. You **MUST** keep your helmet on! No driver's arms outside car during event. **One warning only.** No pit persons on track at any time without permission from judges.

If you can't make your car fit the rules for the class you are trying to enter, you will be bumped to another class or you will **NOT** run. **NO EXCEPTIONS & ABSOLUTELY NO REFUNDS.**

No alterations allowed on vehicles after inspection, you may be disqualified.

Vehicles may be subject to re-inspection at ANY time.

**ALL VEHICLES MAY BE SUBJECTED TO A HOLE DRILLED INTO THE FRAME FOR ADDITIONAL INSPECTION.**

**Sandbagging and team driving will NOT be tolerated – first warning we will paint a pink “S” on your car, second warning you forfeit.**

**No welders allowed in pit.**

**THIS IS A BONE STOCK CLASS FOLLOWING MWFA STREET STOCK CHALLENGE RULES.**

**If you come with a vehicle that is built any more than what is listed below, you will not run.**

1. Any 1980 and newer passenger car, mini-van, mini-truck or mid-size suv
2. All vehicles must be **STRIPPED COMPLETELY** of **ALL** plastic, glass, headlights, taillights, fluids and anything else that could fall off onto the track during the show
3. All vehicles must remain stock, **ABSOLUTELY NO WELDING ANYWHERE**
4. Bumpers must remain stock, do not alter bumper in any way. Factory bumper shocks must remain in factory location. You may remove rear bumpers and shocks. There is no welding to be done on bumpers. Cars with plastic reinforcements may BOLT on similar style steel bumper.
5. Batteries must be relocated to passenger floor or seat. Please make sure the battery will not move. No zip screws. Battery box must be made out of steel. No plastic battery boxes.
6. If factory gas tank is in front of axle, you may leave it there. If it is behind the axle or above, you must move it to the rear seat area. Factory tanks may be moved inside but completely secured. Aftermarket tanks may be used. If tank is left under car and becomes a safety issue, you will be pulled.
7. All doors may be wired or chained in 6 places max per door.
8. Trunks, hoods, tailgates, all may be wired or chained in 6 places total. Sheet metal to sheet metal only. Nothing to frame. If you remove trunk or tailgate you lose that wire or chain.
9. Must have chain or 9-wire in front windshield opening for safety.
10. Rear seat bar may be added. It must be welded to post. If you have to add something to get it away from seat, please call. This is only to stop sides from coming in, not to help any other part of the vehicle.
11. Drivers door may only have a plate welded to the outside or inside. This is for driver safety.
12. DOT tires only. Stock wheels only. **All wheel weights must be removed.** Only tubes and air are permitted inside of tires.

These rules are cut and dry. You should not have to call to ask many questions on this class. If it does not say you can do it, then that means YOU CANNOT do it. Quick and easy build.

**REMEMBER—Judges decisions are FINAL!! Reading between the lines will only get you sent home. Please be sure to read the rules CAREFULLY as this is the driver's responsibility. If you have questions, you may call so that you don't risk being disqualified**

**the day of the event. We WILL NOT offer refunds if your car is not able to run for any reason. Don't assume anything – call first. Must know your vehicle type, model and which class you are in.**

Vehicles may be subject to re-inspection at ANY time.

**Sandbagging and team driving will NOT be tolerated – first warning we will paint pink "S" on your car, second warning you forfeit.**

**No welders allowed in pit.**

May have small wheel center.

All glass, plastic, white metal grills and trim must be removed before entering grounds. No wheel covers allowed. Vehicles must be clean and free of loose objects. All decking in station wagons must be removed.

Dash may be removed. A 5" maximum dash bar is allowed. Bracing 5" maximum is allowed behind driver's door post to door post on passenger side for driver's protection. Door bar can only be 60" long. No more than 12" behind the seat. Bracing 5" maximum is allowed to connect the dash bar and the door post to the door post on the passenger and driver's side (can be an X). Two down bars allowed from cage to floor on driver's side and on passenger side. Must be straight down, not angled (forward or backward). No further forward than inside door seam. Down bars may be attached to the top side of the frame. Do not mount your dash bar closer than 3" from ANYTHING. This will be measured behind the distributor.

Driver's window and front windshield may have wire mesh or straps for protection. Front windshield may have two bars running from roof to cowl and may be bolted or welded to sheet metal only. Rear windshield may have one bar running from top of window to not more than 2" on trunk and may be bolted or welded to sheet metal only.

Gas tank to be made of steel, secured by **metal** straps, chains or bolted to the floor, protected on all sides, and located in back seat area. **NO RATCHET OR BUNGEE STRAPS!!** Any gas lines other than standard equipment must be located inside the middle of the car. Outlet to fuel pump must be through a tight connection to tank. Gas lines that run through firewall must be made of steel or high-pressure hose. Any car leaking fuel will be flagged out.

ANY spills or leaks will result in vehicle not being able to run. Gas lines other than standard equipment must be located in the center of the vehicle.

**Drivers must be between 12-16 years of age with parents signing waiver for them to run.** (If divorced, BOTH parents' signatures are needed.) **This class will only have the youth in the car driving!**

Any mass-produced front wheel drive cars.

#### **THINGS YOU MAY WELD:**

- A. Driver's door may be welded solid (Build to take a hit!)
- B. Front struts may be welded with up to 6" added material per side (only).
- C. Front and rear factory bumpers may be welded on. May run 6" x 6" tube or 6" pipe (3/16" max thickness) ends must remain open. May attach with 4"x4" angle iron to bumper and frame (one per frame rail).
- D. **FWD Cars only.** 4 or 6 cylinders.
- E. Motor mounts may be welded or chained down in two spots. Tranny may be chained.
- F. **You MUST have a 4-point cage welded in your car (No exceptions).** You may have 2 down bars per side (vertical only) welded to the frame to help hold in place. Halo is optional, if you have one, it may be welded to the frame and roof of car. (This is for driver's protection).

Bumper choices: Factory to car, up to 6" tube, pipe or c-channel
